

GAMER ELDIN EISHIKH EDREIS MOHAMMED ELFADIL

Date of Birth: 25/9/1987

Nationality: Sudanese

Place of Birth: Khartoum

Religion: Islam

Gender: Male

Marital Status: Single

Address: Faculty of Veterinary Science, Gadarif University, Showak

E. mail: Idressgamer@gmail.com

Phone: 00201507620113, WhatsApp: 00201123472594

Languages

Arabic, English

Skills

***Statistical analysis using:**

- VCE to estimate genetic and phenotypic parameters (heritability and Genetic, Phenotypic and Environmental correlations), SPSS and SAS.

*Biological data analysis (DNA, RNA and cDNA)

*Experiments design and data collection.

* Feasibility study preparing for small animal production projects.

*Design and execution of breeding programmers to develop and conserve animal resources.

Education

2023 Ph.D. of Animal Breeding, Ain Shams University, Egypt

Dissertation Title:

Genetic Effect of Some Genes on Growth Performance and Carcass Attributes in Rabbits

Supervisor:

Prof: Ahmed Ragheb Ibrahim SHEMEIS

2018 M.Sc. Of Genetics and Molecular Biology, University of Khartoum, Sudan

Dissertation Title:

In-silico Transcriptomic Profiling of Bovine Retinal Pigment Epithelial Cells

Supervisor:

Assis. Prof: Faisal Mohammed Fadlemola

2015 M.Sc. Of Poultry production, University of Khartoum, Sudan

Dissertation Title:

Correlated Responses and Genetic Parameter Estimates of Production and Reproduction Traits in Sudanese Large Baladi Chickens

Supervisor:

Prof: Ibrahim Abdelsalam Yousif

2010 B.Sc. Of animal production, University of Khartoum, Sudan

Dissertation Title:

Quality Assessment (chemical, microbiological and sensory evaluation) of Stirred Yoghurt Treated by Guddaim Fruit and Guar Gum.

Supervisor:

Dr. Mohamed Osman Mohamed

Experiences

2012- Animal Production Engineer

2013 El-shaheed for food production and distribution company.

*Overlooking and Deputy Director in Department of parent stock (Hy-Line Laying chicken).

2012- Researcher

2016 Indigenous Chicken Research Unit, Department of Genetics and Animal breeding, Faculty of Animal Production, University of Khartoum.

*Work in all activities of the Unit and especially Data entering, Analysis and results presentation.

2015 - Faculty member

Gadarif University, Faculty of Veterinary Science, Department of Animal Production.

*Teaching undergraduate courses, student academic advising, and

director of the faculty's quality committee

Training

- 2024 Camel Production and Management**, Animal production research institute “**15 Lectures**”, Egypt.
Production systems, Farms constructions, Reproductive physiology, Nutrition, and behavior.
- 2023 Climate Change and Livestock**, Faculty of Agriculture, Ain Shams University, Egypt.
- 2022 General and conversion English language courses**, Russian Cultural Center in Cairo, Egypt.
- 2019 Introduction to the Modern Knowledge Cycle and Call Press collection**, Elsevier Research Academy on Campus, Faculty of Agriculture, Ain Shams University, Egypt.
- 2019 Excel course**, Scientific computation and Agricultural Informatics Unit, Faculty of Agriculture, Ain Shams University, Egypt.
- 2019 Horizons genetics workshop**, Academy of Scientific Research and Technology, Cairo, Egypt.
- 2016 Molecular Biology and Bioinformatics Course**, 7 Vision for Training and Development center, Khartoum, Sudan.
- 2015 Introduction to Molecular Biology**, 7 Vision for Training and Development center, Khartoum, Sudan.
- 2015 Strategic Intelligence**, Trkeez Alkhebrat for Training & Skills Developing Center, Khartoum, Sudan.
- 2015 Basic Principals of Management Improvement**, 7 Vision for Training and Development, Khartoum, Sudan.
- 2015 The Regional Scientific Conference of Camel Management and Production Under Open Range System**, Sudan University of Science and Technology, Khartoum, Sudan.
- 2015 Research Methodology training course at faculty of mathematical sciences training unit**, University of Khartoum, Khartoum, Sudan.
- 2014 The 5th Annual Conference of Postgraduate Studies and Scientific Research**, University of Khartoum, Khartoum, Sudan.
- 2012 Training in Department of Poultry Production**, Department of Poultry production, Faculty of animal production, University of Khartoum
Field of training: Hatcher Unit, rearing of broiler and layer chicks,

rearing of parent stock of laying hens, Vaccination of fowl pox, ration formulation and mixing, Slaughterhouse and determining external and internal egg quality.

2005 Basic Computer Training Diploma

General Details

***Member of the:**

Sudanese Agricultural Council.

Society of Agricultural Engineers, locality Jble Aolia.
